DRC Investor Guide

A concise board-ready roadmap for entering and expanding in the Democratic Republic of the Congo.

1. Submit an investor enquiry

Share your sector, investment range, desired location, timeline, and support needs with the investment desk.

2. Review opportunities

Receive project briefs, market entry notes, priority sector intelligence, and suggested public/private contacts.

3. Establish presence

Navigate incorporation, tax registration, banking, professional services, and local operating requirements.

4. Secure approvals

Coordinate licensing, environmental requirements, land access, applicable incentives, and sector permits.

5. Launch and aftercare

Use the desk for partner matching, supplier development, expansion support, and investor advocacy.
